All Star Meeting Report

Agenda

1. Recommendations to the FACA Board: Most of you probably don't know a lot about Paramus Catholic's next opponent, St. Ignatius of Cleveland, Ohio. Heck, I didn't know anything about them before this week. But after doing some research and talking to a few people I know one thing for certain:

2. Recommendations to the FHSAA Board: A 450-mile bus ride. A mid bus ride practice at Youngstown State. An overnight in a hotel. Their first out of state road game ever. A new stadium. A new opponent. A new scheme. A new atmosphere. It all adds up to a tough test for the Paladins. What's it going to take to get the win? Let's break down the match up and provide some insight into St. Ignatius, AKA the Wildcats.

3. Recommended speakers for future clinics: I liked what I saw from PC's offense last week, though I still think they need to get their vertical passing game going on a more consistent basis for later in the season. Who knows, maybe they're holding something back. But to my original point, the Paladins did well mixing up their run and pass attack last week against DePaul, throwing in the wild cat too just to change the tempo. It didn't net them points immediately. But they were persistent and wore down the Spartans. Their persistence paid off with 21 points from the end of the first half to the beginning of the fourth quarter. Then they were on cruise control.
